Pyramids as Pyramid Storm Shield Shelters (PSSS)

Forewarnings through mass public disclosure about the protective capacity of pyramid shape constructions could have saved so many lives and avoided much of the immense devastation to property during the onslaught of hurricane SANDY in 2012 and the mighty, destructive and deadly tornado which swept through Moore, Oklahoma, USA, in May 2013, just a mere two days prior to my scribing this information!

If preventative preparation had been enacted previous to the disaster, through the construction of a 44 meter (about 150 feet in height) protective pyramid structure, this would have provided a PSSS storm shield and most probably prevented the course of Hurricane Sandy from reaching an area within 200 miles of New York City and the town of Moore, in Oklahoma.

A basic, empty sided, pyramid construction, erected using low cost materials, such as PVC piping, could be completed in a matter of months. Naturally, a larger investment would provide a more permanent and solid structure to offer a total protective shield against bad storms, cyclones, hurricanes, typhoons, earthquakes etc. for the desired safety of citizens and property alike and in the long term, through the saving of public compensation and re-building, would return the initial outlay.

.....

Free Pyramid Energy

“Armed with the knowledge regarding the properties and qualities of pyramid energy emissions, we can heal and protect the earth. It appears that life itself, has an unrevealed (to date) energy field that supports its own existence and which is emanated directly from the earth – and then harnessed through unique pyramid structures.

Radiation can quickly be reduced, ozone holes, closed up, earthquakes and severe weather reduced or even eliminated, water purified, crops improved, illness and disease dramatically lessened, buildings made far stronger and safer and even crime, terrorism and mental illnesses greatly reduced – if not wiped out entirely. All these things we consider to be separate problems, well beyond the capacity of one person to manage, can now be seen as a part of the international Whole”

—David Wilcock — (Paraphrased) *The Source Field Investigations*, Published by

Preface by Author

FREE ENERGY

Is a “non-stop flow” of FREE PYRAMID ENERGY, actually possible?

It certainly, emphatically, is so!

Most readers of this introduction booklet will be absolutely astounded upon discovering that top scientists in Russia , more than twenty years ago, initiated scientific tests and documented their results. They based their research on Dr. Patrick Flanagan's best seller, *Pyramid Power*, which revealed to the world, in the early 1970s, the potential social utilities of pyramid energy.

The Russian scientists did indeed unveil a host of astoundingly powerful and naturally beneficial potentials within and surrounding the magnetic fields of geometric forms of pyramids and furthermore experimented with various heights and angles of several pyramid structures to verify the difference in emissions of energies. Apparently they were able to confirm previous, historic knowledge , whilst discovering new potentials for the improvement and advancement of life on Earth in the future.

To date, more than 50 huge pyramids have been constructed, and are fully functioning in Russia and the Ukraine. One of these, built beside a beautiful lake, has a height of 33 meters (almost 150 feet).

PLEASE NOTE:

Twenty prematurely born babies, all of whom were diagnosed to be in near death conditions, were each fed just a few milliliters of tap water—far less than an ounce—which had been deposited inside one of the above mentioned pyramids. To the joy of their parents and to the elation of the scientists, each one of those precious prematurely born babies survived.

What may even be more astonishing to many readers is the fact that although humanity now undoubtedly has perfectly documented access to perpetual FREE ENERGY and therefore the means to potentially heal and protect all citizens on the face of the Earth, VERY FEW INDIVIDUALS ACTUALLY KNOW ABOUT IT !!!

FREE PYRAMID ENERGY has been found to be more effective than all the well-meaning activities of global Green Movements in the last decade.

In the light of scientific research and testing, together with factual results produced from present day pyramid constructions, it appears to be crystal clear that this important information has been deliberately withheld from being publically disclosed.

I am of the opinion that by the time you have finished reading this booklet, you too, will also have arrived at the conclusion that a powerful global group, operating within a circuit of their own selfish financial interests, have obstructed any and all FREE ENERGY systems from becoming general public knowledge and therefore allowed into production on a mass scale for the benefit of citizens in every country. The members of these “rich beyond measure” corporations, banking affiliations, and WORLD CONTROLLERS are driven purely by greed and daily worship to their monetary god; and seek not to serve others but to totally enslave all other beings on Earth unto their power.

Fortunately, enough awakened human souls on Earth have managed to keep the “BEAST”—as known in Biblical terms—at bay. These “whistle-blowers” have prevented the “beast” from using their influence to maneuver the U.N. and the powerful dark governments to pass national and international laws and regulations that would obstruct the TRUTH from being divulged on our vast worldwide internet, our major truly open and free international communications system.

There is absolutely no doubt in my mind that pyramid power, as described by Dr. Patrick Flanagan in his book of the same name (published in the early 1970s), and the brilliant research and development by Russian scientists will soon be known worldwide via our collective disclosure movement.

WHEN WE THE PEOPLE LEAD, THE LEADERS OF WORLD GOVERNMENTS
MUST FOLLOW.

Humanity now possesses easy instructions to construct an ultra low cost source of FREE pyramid energy for the swift revitalization of Mother Earth—as well as rapidly rejuvenating the cells of every man, woman and child.

The key to this end, paradoxically, is through vigorous, social networking by all of us to diffuse the information via the internet.

FREE healing and protective pyramid energy can provide humanity with a rapid, smooth transitional leap into the long time prophesied Golden Age on Earth—whereupon freedom, peace, love, joy and abundance for each and ALL is not only truly possible, but highly probable.

So be it. All is well. Bless us all.

WE are ONE in the ONENESS of All that Is....

Foreword

Four Points Worth Considering

Point 1:

In the early 1970s Dr. Patrick Flanagan's bestseller, *Pyramid Power* (sales of 1.5 million hardcover books) paved the way for a movement which will lead every dear member of humanity into a Golden Age of revitalization, peace, abundance and eternal well-being.

Later, top teams of dedicated Russian research and development scientists followed up Dr. Flanagan's pioneering work.

The Russian scientists gradually built pyramid structures and rigorously tested and documented a myriad of astounding FREE ENERGY healing activities showing miraculously revitalizing results, as described in Chapter 3 of this booklet.

By building or buying a pyramid, you are effortlessly creating and expanding the release of this important information to your fellow man. To become a way shower is the duty and responsibility of all who join our Movement.

As we the people take the lead, world governors must surely follow !

Point 2:

All the major news media in the world are either owned or are under the influence of powerful members of the "world's controllers." They may also be known as the Military-Industrial-Complex, the BEAST, the Illuminati, the Dark Cabal, or the Dark Brotherhood. They hold a firm financial reign of power over all major worldwide energy production and rebuke any mention of "free energy" or free anything. Thus any genuine disclosure of FREE ENERGY devices or FREE healing energy is promptly ridiculed. For more than a century, they have engrained into the public's mind through false scientific notions that FREE "perpetual motion" machines or devices are contradictory to modern science.

Thus, any idea that major news media would ever report the well-documented Russian scientists' results of their experiments is pure illusion.

However, “we the people” will do it. We are the ones who must and who will give out this news on social networks, as we collectively, clearly demand that our world leaders follow our decisions or rightly lose their powerful “office” of leadership.

Let it be so!

Point 3:

So it is obviously imperative that small groups begin to form and to meet together in towns, villages, cities and communities worldwide and eventually merge together internationally.

Hopefully by sharing the information in this FREE booklet on social networks to reach the “we the people collective power.” This will be a step into the Golden Age where continual FREE PYRAMID energy structures can provide healing and energy to humanity and all forms of life on our dear Mother Earth.

It is desirable that a collective of small and large member groups will coalesce together worldwide as ONE very mighty, unstoppable power, whose aim is for the greater good (greater GOD) on Earth.

WE can do it. WE will DO it.

May I ask you to hold this uplifting thought deep in your soul and mind as you ponder and gleefully share—what is truthfully disclosed in this FREE booklet.

IMAGINE.... a world with an abundance of towering majestic PYRAMID energy structures proudly erected both privately and publicly in every town, city, nation and, in all Public Parks.

Point 4:

It does not really matter whether you BUILD your own or BUY a ready-made pyramid structure, each pyramid adds energy and positivity to everyone around the globe and contributes to a peaceful, more abundant and infinitely joyful Golden Age on Earth with FREE ENERGY for all.

Now please “read on” to understand why I am personally inviting you to become a much appreciated, active member of our worldwide movement whose aim is to reveal all the available information about PYRAMID ENERGY.

Think it through.

I will ask you again AFTER you have read and pondered through this entire booklet—in my Author's Final Afterword.

Chapter 1

Dr. Patrick Flanagan's Pioneering Bestseller, entitled "Pyramid Power"

It was intentional for the first two chapters of this booklet to focus upon the scientific research of two dynamic souls; Dr. Patrick Flanagan and David Wilcock, both of whom appear to be humanly embodied at this time to help Humanity to awaken from a very long, deep, consciousness similar to an almost "sleep-walking" state.

I hold both of these clearly magnificent human souls in my highest personal esteem. I have the pleasure of personally having met and come to know quite well Brother Patrick Flanagan.

I do not personally know David Wilcock in this lifetime, as of yet, but I do feel there is an eternal bond of spiritual brotherhood that we three share within our efforts to disclose this information to the general public.

Indeed, both Dr. Patrick Flanagan and David Wilcock have both done so very much to help Humanity to step out of earth's long Age of DARKNESS and step into the bright LIGHT of a New Golden Age of Light, Love and Abundance.

There are no accidental or chance meetings. When the time is right, the ever-present Universal Law of Attraction will and does bring active Lightworkers together who share destined purposes. And so it is.

And so it was.

Dr. Patrick Flanagan and I first met in person at a conference meeting between key New-Age Lightworkers, in the early 1970s, in Phoenix, Arizona, USA.

There was an instant soul recognition between us and we naturally formed a deep spiritual and close friendship which has lasted for over forty years.

During this time, I have gained more and more insight, trust and respect into the astounding life of Dr. Patrick Flanagan whom I call "Mr. Pyramid Power" as well as Patrick Flanagan, the "Man of Tomorrow."

Patrick was featured on the front cover of Life Magazine when still in his teens. The feature writer of Life Magazine predicted Patrick would be known worldwide as one the top scientists on Earth, a prediction that has surely come true in hearts and diamonds!

Dr. Patrick Flanagan holds more than 200 U.S. patents on his inventions. To date Patrick has personally worked upon more than 400 different inventions.

As an author of more than 30 self-help and spiritual best-seller books, in collaboration with Patrick and my own Russ Michael Book TEAM Chief editor Pamela Leach, I have been working for years to complete a fully comprehensive biography of Patrick's astounding life story aptly titled, *Dr. Patrick Flanagan—the Man of Tomorrow*.

May I suggest to any major book publisher or movie producer, interested in this story, to contact Patrick or myself directly through our contact info posted in the Appendix of this booklet.

Patrick pioneered the first serious research into the science of the healing and protective qualities of pyramid energy after making more than 40 trips from USA to the Great Cheops Pyramid in Egypt. He gained entrance on most of his visits into the famed King's Chamber where he conducted various scientific "pyramid power" tests. He later recorded his findings in his bestseller of over 1.5 million copies entitled *Pyramid Power*. He boldly self-published in 1972 after the major U.S. book publishers told Patrick they did not believe people were interested in pyramids and that his book would never sell.

Of late there has been much media speculation as well as the popular belief amongst Lightworkers of the fact that Dr. Patrick Flanagan is the reincarnation of Nicolas Tesla, famed for his scientific experiments on free energy in the 1900s as well as his "Tesla Coil", for which he is recorded in history as the "Father of Electricity."

Thus we can postulate and speculate in this vein of light that Nicolas Tesla, who was in his time "*The Man of the Future*" (since almost everything we utilize power-wise today runs on electricity) may now have presented his soul through our dear Dr. Patrick Flanagan today.

Where would we be today without the use of electricity utilized for almost everything around us from light bulbs to gadgets, motors cars, ships, trains, airplanes, computers and cell phones, etc?

A week or so after I began to scribe this booklet in late March, 2013, Dr. Patrick Flanagan sent me a photo of what appears to be a 6-foot-tall titanium pyramid, which Patrick personally designed for his daily meditations.

I noticed there is also another small, double interlaced pyramid form hanging from the inside midpoint of his pyramid, situated overhead where Patrick would be sitting.

IF you wish to see what it LOOKS like, send me an email off at Age-Reversal@aon.at and I will email to you the photo of the Titanium Alloy Pyramid meditation structure which Patrick kindly shared with me.

The Dr. Patrick Flanagan titanium alloy pyramid does not have filled in sides. It is made from just eight titanium alloy poles. Four of these are locked together to form the four foot square pyramid base. A further four poles are locked together from the base to midpoint to form the exact golden mean ratio pyramid angle.

I have long understood that covering the four slanted sides of a pyramid structure is not necessary, since it is the perfectly GEOMETRICAL, Golden Mean ratio SHAPE that generates the PYRAMID POWER, for pyramids must be set to an exact square true north position.

Metallic pyramids however, are a different matter.

Incidentally, Patrick told me that Titanium alloy is the best quality metallic material with which to construct a pyramid, according to his tests.

However, he emphasized the point that titanium alloy is relatively expensive.

That is worth knowing and remembering when you consider purchasing a pyramid.

A non-metallic pyramid structure must be correctly set to exact square true north; a metallic pyramid structure must be correctly set to exact square magnetic north.

Since learning of the potentially earth-changing Russian Pyramid experiments a few months ago, I am puzzled as to why Russian scientists did not build their huge pyramids simply out of 8 pieces as described above. Perhaps it was to maintain the stability of a permanent structure or maybe to liken their constructions to the notorious monuments in Egypt.

Not having to fill the sides would certainly reduce the time and cost immensely. The Russians spent five years and million dollars spent to build their 44-meter high pyramid structures but in reality, they could be built for a fifth or a tenth of that cost which implies that huge pyramids could be erected worldwide as shields against bad weather , storms, cyclones, hurricanes, typhoons, earthquakes, etc.

As you read further and come to understand the power which is emitted from the geometric form of pyramids, you will be elated to see how any town, city or nation could cooperatively erect inexpensive “pole” pyramids worldwide, and in so doing, would create a year-round “Hawaiian-Paradise-like” temperature across the earth for all to enjoy.

However, since Patrick and I communicate daily, he did promptly read and answer my question stating and I paraphrase, “the Russian scientists simply believe that pyramids with solid sides are more effective.”

Chapter 2

David Wilcock's Pyramid Energy Disclosure!

David Wilcock discloses the healing and protective qualities of Pyramid Energy in his science classic, *The Source Field Investigations*.

Whereas I personally rate Dr. Pat Flanagan as a top scientist on Earth today, I consider David Wilcock to possess a thoroughly scientific mind, able to delve into the details of leading edge scientific breakthroughs of the day and not only, he is also a genuine psychic seer into what science foreordains for humanity upon modern day Earth.

Like Edgar Cayce, David Wilcock keeps written records of his nightly dreams which enables him to peer into forthcoming future events within his life-stream and the life-stream of our awakening Humanity upon Earth.

Likewise, for the last twenty years, there has been much speculation among Lightworkers that David Wilcock is the humanly embodied reincarnation of Edgar Cayce, the famed “Sleeping Prophet of Virginia Beach.” Of the 1930s and 1940a.

Edgar Cayce was, beyond doubt, the most notorious and studied psychic in modern day history.

Scores of bestselling books were written about him. Today the Association of Research and Enlightenment (A.R.E.) headquarters are located in Virginia Beach, Virginia, U.S., which has a library with more than five thousand of Edgar Cayce’s “past-life readings.” Loaded with historic insights and natural healing remedies for body, mind and spirit, these readings have drawn millions of readers through the years from all major countries.

I personally visited Virginia in the late 1960s and later took up residency, although for the past twenty years, I have lived with my soul-mate wife, Maria and our 21-year-old son, John Mathew Michael, here in the silent, beautiful green hills of Austria.

Edgar Cayce had predicted his re-embodied human reincarnation on earth just prior to our Golden Age on Earth.

Almost twenty years ago, I learned that a young author named David Wilcock was rumored to be the reincarnation of Edgar Cayce. My first thought was this young man was just another author looking for publicity. However, upon reading his books and the articles posted on his website, I realized David “spoke of” matters that only a mind as capacitated as Edgar Cayce’s could perceive.

Long before his latest book, *The Source Field Investigations* was published, I had no doubt in my own heart and mind that David Wilcock is indeed Edgar Cayce reincarnated. David, like many of us Lightworkers, arrived at an auspicious time on Earth for the same purpose, just as the famed late world server, Nicolas Tesla reincarnated as Dr. Patrick Flanagan. Both are here to complete their past unfinished work on Earth and to pave the way to our forthcoming Golden Age.

If I had had any doubt of the fact that David Wilcock is Edgar Cayce reincarnated, on reading his recently published book, these were dispelled by the time I was halfway through.

It is no surprise his book became an instant bestseller worldwide!

Might I emphasize that any reader of David Wilcock's truly riveting and insightful book, *The Source Field Investigations*, will see for themselves Wilcock's adept ability and steadfast determination to be 100 percent scientifically accurate.

Like me and countless other awakened human souls on Earth, David Wilcock also fully understands about the powerful, greedy Military-Industrial Complex Dark Corporate “Illuminati” Cabal, and the control this group holds over humanity in every walk and every major field of human life, including, government, politics, religion, science, sports and even the arts and entertainment fields.

David fully understands and addresses the worldwide tyranny of government and the vast prevailing corruption in politics. He delves deeply into banking and blatant fraud in the entire “soon to fall” financial field, to be replaced with fully transparent, honest banking systems combined with non-polluting FREE energy systems and abundant “people helping people” Golden Age economy and an entirely beautifully revitalized Mother Earth.

David Wilcock devotes a whole insightful chapter to forecasts and predicts countless pyramid energy structures to soon be erected all over the Earth.

David Wilcock states on page 154 of his book (more can be found in Chapter 8 of this booklet):

“The physics laws that make pyramid power a reality should work on any planet that harbors intelligent life at any time, past, present or future—so it may be that pyramids are very, very common throughout the Universe. It appears that we are only just now getting up to speed on the science behind them.”

I personally find an obvious synchronicity in the fact that Edgar Cayce predicted in his lectures and past-life readings that in the forthcoming New Age On Earth, after the year 2000 that, “Russia would be a Light to the world.” In his book, David Wilcock calls attention to the vast amount of Russian Research into pyramid energy over the past two decades, and relates pyramid power directly as “Our key to the Golden Age.”

Once again I advise you to obtain and read the entire fascinating book, *The Source Field Investigations*, as it is full of reliable information and revelations about the Ascension of Planet Earth

All is well for all on Earth

Bless us all

Chapter 3

Russian Pyramid Energy Research Results

A reading by the “Sleeping Prophet” Edgar Cayce on June 30, 1932, revealed that work began on the construction of the Great Pyramid and Sphinx in Egypt about 10,500 B.C. If this is so, a seemingly sleeping humanity has had nearly 13,000 years to study how and why such huge pyramids were constructed across the earth.

However, little or no knowledge had been extracted or published about “pyramid energy” by any investigative scientists during this vast stretch of time prior to Dr. Patrick Flanagan's pyramid research which was published in the early 1970s in his book entitled *Pyramid Power*.

The first publication about the Russian research appeared on the website of Dr. John DeSalvo's Giza Pyramid Research Association where one can read of the astounding healings encountered by hundreds of testimonials which occurred through pyramid energy.

Dr. Alexander Golod was the apparent leading force in building the first pyramid structures in both Russia and the Ukraine in 1990 where an array of leading Russian scientists conducted experiments and soon realized that the healing and protective qualities of “pyramid power” had the potential to revolutionize our modern day society in so many wondrous ways.

Dr. Golod constructed his pyramids with an internal framework of PCP pipes and covered the sides with fiberglass sheets. The largest of his pyramids stands 144 feet tall, weighs 55 tons and took five years to build, costing a million dollars. It was completed in 1999.

Dr. Patrick Flanagan pointed out to me that Dr. Golod had used the Golden Mean phi ratio of 1 of 1.618 which often appears in the growth pattern of living organisms.

After a careful in-depth study of the many scientifically proven achievements documented by key Russian scientists, David Wilcock wrote :

“Pyramid technology is far more advanced than we ever realized, and has the power to completely transform our planet—as well as our own lives. The only thing holding us back was that our own scientific knowledge had not yet progressed to the point where we could identify and comprehend such high technology.

“I realized that pyramids were indeed the most stunningly advanced technology ever built on Earth.

“Thankfully, multiple teams of accredited, mainstream Russian scientists have done the work for us. Their results suggest that pyramid technology, and its offshoots could save the world—and substantially improve our physical, mental and spiritual health along the way. In addition, these results tear the roof off everything we thought we knew about our own bodies and about science in general. The more you learn about it the more wonderful the implications become.

“The tragically sad aspect of these genuine noteworthy discoveries was no mainstream academic journal would publish their results despite all the meticulous care Russian scientists took to preserve strict scientific protocols. The main reason for this seems to be that entrenched power groups would be heavily threatened by all the technological breakthroughs these discoveries would provide.”

However, Dr. Sam Semir Osmangich, the man who discovered the massive pyramid in Bosnia has, in recent years, managed to generate major MEDIA COVERAGE on the subject of the pyramids.

I am therefore asking you , the reader to personally become a link in the chain for the diffusion of this knowledge by passing on this information to everyone possible.

- ✓ TESTS BY TEAMS OF RUSSIAN SCIENTISTS REVEAL HOSTS OF UTTERLY ASTOUNDING, SEEMINGLY MIRACULOUS, UNDENIABLE HEALING CAPACITIES OF PYRAMID ENERGY.

The entire research conducted by the Russian Academy of Sciences concluded *positive* results.

- ✓ ONE MILLILITER OF PYRAMID WATER SAVED THE LIVES OF 20 PREMATURE LY BORN BABIES

This is a fact no doctor should ignore. Twenty premature babies with grave deficiencies, which most probably would have lead to their deaths within a few days, were given distilled water that had been deposited inside a pyramid construction for a few days. The failure to report these sensational results by major medical journals and mass media outlets should be considered a crime against all humanity!

- ✓ HURRICANE, TORNADO, TYPHOON AND BAD WEATHER, STORM PROTECTION SHIELD

Russian scientists using particularly sensitive Military Equipment called a “Military Locator,” tested the 44-meter high Russian pyramid. They traced a 500-meter wide column of energy surrounding the pyramid , moving vertically up and down to heights reaching 2000-meters (more than 6,000 feet) as well as a much wider expansion of energy reaching out 300-kilometers beyond the central point.

This 300-kilometer magnetic field deflected all severe weather conditions and storms by diverting their course to go “around” rather than “through” the area, thus forming a NATURAL protective bad weather shield.

- ✓ REDUCES CRIMINAL BEHAVIOR

David Wilcock wrote:

“The Russian Science of Academies confirmed that pyramid energy could reduce criminal behavior and increase feelings of love and peace. All they did was store granite and other crystalline structures in the pyramid (for several days) and then place them in and around certain jails in Russia, which held a total of about five-thousand prisoners.

“According to the Pyramid Research Association Web site's summary of these results, “Within a few months most crimes were almost non-existent, and behavior was much improved.” No changes to routine had occurred in the jails under study except for the fact that pyramid charged granite had been placed into their surroundings.”

✓ RABBITS AND MICE WERE TWICE AS STRONG

Rabbits and white mice were found to have become 200 percent stronger in their endurance and their white blood count rose. The implications of this could be interesting for professional sport athletes.

HARMFUL SUBSTANCES ARE TRANSFORMED AND NEUTRALIZED WHEN STORED INSIDE A PYRAMID

✓ EXTINCT FLOWERS GROW SPONTANEOUSLY IN FIELDS

✓ Most amazing of all, fields in the vicinity of the pyramid were soon covered with flowers were previously extinct. Obviously life-giving revitalizing energies harnessed by the pyramid had a significant regenerating effect on the land.

✓ EARTHQUAKE CONTROL

The Russian scientists checked records of the occurrence of earthquakes in the area where pyramids stood. The difference was astounding. Rather than one powerfully damaging earthquake they recorded hundreds of small tremors which naturally allow the geo-tectonic stress and frictional charges to be absorbed and CAUSE NO DAMAGE in the area WHATSOEVER!

✓ WHEAT CROPS INCREASED BY 400 PERCENT

Dr. Yuri Bogdanov, in Ukraine reported that by an area where a 12-meter high pyramid was built, wheat crops increased by 400% .

✓ NO DANGEROUS EFFECTS REGISTERED FROM PYRAMID POWER

No harmful effects were ever observed by Russian scientists conducting experiments on pyramids.

Dr. Alexander Golod and his associates found that anything that was harmful to life would transform for the better if it was kept inside the pyramid. Poisons and other toxins

would miraculously become far less destructive after even a short storage period in the pyramid.

✓ RADIOACTIVE MATERIAL DECAY FASTER

Radioactive materials decayed faster. Dangerous pathogenic viruses and bacteria became less harmful to living organisms after being conserved inside a pyramid. Even psychotropic drugs like LSD produced a reduced effect on users inside or within close range of the pyramid.”

✓ STRONTIUM, HEAVY METALS AND SALT VANISH FROM WELL WATER

Strontium and heavy metals polluting a water well vanished when the municipal authorities ordered a series of pyramids to be built nearby. The well soon began pumping up clean water. Other experiments in which water wells previously contained salt were also soon also pumping up clean salt-free water after pyramids were erected in the vicinity.

✓ DIAMONDS GET HARDER

Diamonds synthesized within the pyramid became harder and purer.

✓ CROPS GROWN FROM SEEDS SUBJECTED TO PYRAMID ENERGY YIELD
20 TO 100 PERCENT INCREASE

More than 20 varieties of seeds, which had been stored in the pyramids for five days before being planted across thousands of acres, produced an increase of their crops of between 20 and 100 percent.

✓ NEW STREAMS OF WATER APPEAR IN THE VICINITY

A 22-meter high pyramid built beside Seligar Lake soon revealed that new streams of water had sprung in the surrounding countryside.

✓ PYRAMID SEED CROPS DO NOT BECOME DISEASED

The plants which grow from seeds stored inside a pyramid remain healthy

✓ PYRAMID SEED CROPS REQUIRE LESS WATER

The plants were not affected by droughts plus the same higher yield and drought resistance effect was equally achieved by placing granite rocks, stored in the pyramid, around the edges of the crop fields.

✓ CLEANER OIL WELL PRODUCTION

Oil well fields with pyramids erected across them produced oil 30 percent thinner, thus faster and easier to pump out of the ground. Also, the oil was much cleaner since gums, pyrobitumen and paraffin substances all decreased substantially. Oil wells in the surrounding fields with no pyramid structure showed no improvements whatsoever.

✓ CLOSES OZONE HOLES ABOVE PYRAMIDS

A few months after the pyramid at Seliger Lake was completed, the ozone hole above it was substantially reduced.

✓ PROTECTION FROM LIGHTNING

A Russian team from the All-Russian Electrotechnical Institute in Moscow discovered that if they took seven pieces of granite, weighing one hundred grams each which previously had been stored inside a pyramid, and then arranged them into a circle, one meter in diameter, the surrounding area was 5000% less likely to be struck by lightning.”

✓ ALL LIFE FORMS ENHANCED IN AREA SURROUNDING PYRAMID MOUNTAINS

Two Pyramid-shaped mountains, named “Brat” and “Seska”—”Brother” and “Sister”—on an otherwise flat plain of Nakhodka, one of the largest ports in the Far East of Russia, which used to be considered sacred places in ancient times, drew many travelers from China and Korea.

According to researcher Maxim Yakovenko:

“People say they feel happy on these hills. and I agree with them. The sides of those hills point towards north, west, south, and east, just as the pyramids in Egypt.

“Tragically in the 1960's the peak of Brat was blown off to remove and use stones for building projects reducing the height by 78.5 meters. Here's the surprising part:

“After the destruction of Brat's peak (located 5 kilometers from the city of Nakhodka) the climate changed for some weeks. People recounted harsh winds and rain for several days after the detonations.”

Apparently the weather in that area, for some time up to that point, had been very mild.

✓ INCREASING HARMONY WITHIN HUMAN INTERACTIONS

David Wilcock writes on pages 154 and 350 of his book, *The Source Field Investigations*:

“Somehow, feelings of love and peace, which are normally considered to be abstract emotional phenomena that are strictly psychological in nature, have a direct effect on our surroundings.

“The pyramid energies create a measurable improvement in criminal behavior—just like the meditation effect of seven thousand people that we discussed earlier, which reduced worldwide terrorism by 73 percent (on the entire day that they meditated collectively on the feeling and thought of peace worldwide).

“Armed with this (healing pyramid energy) knowledge we can heal the earth.

It's as if life itself has a yet undiscovered energy field that supports its own existence and it emanated directly from the earth—where it is then harnessed through unique pyramid structures.”

✓ EXCLUSIVELY POSITIVE RESULTS

“The entire research conducted by the Russian Academy of Sciences had positive results. All tests showed a positive influence on ecology and human health of those visiting the Pyramid or using products - crystals - solutions - water - granite rocks - and objects “stored” within.

[NOTE from the Author: The “International Whole” is what I know and SOUGHT TO EXPLAIN in my latest book, the “ONENESS of All That Is” available FREE at our Golden Key Library Website posted in the Appendix.]

“Somehow the full extent of the power of this ancient technology didn't become clear until I read what some other teams within the Russian National Academy of Sciences had discovered—where we can see how the pyramids actually give us clear protection against catastrophic Earth Changes.

“Given the incredible damage than can be caused by hurricanes - tsunamis - volcanoes and the like, there is absolutely no reason why we should not be exploring these possibilities on a worldwide massive scale.” *[A big “YES indeed” to that!]*

“How can we afford not to try it? Do we dare to be so arrogant and overconfident in conventional science that we completely ignore the power of cheap easy-to-build technology that would SAVE THE EARTH?”

Chapter 4

The Pyramid Energy Disclosure Movement

Create or join a social network to disclose further information on PYRAMID Energy.

The expansion of this MOVEMENT is so vitally important to Humanity. After reading David Wilcock's chapters on the results of the Russian scientific pyramid experiments I asked for clear HIGHER INNER GUIDANCE.

Within moments the answer , of how to swiftly awaken the sleeping masses on Earth, came clearly to mind: to write a FREE PYRAMID ENERGY booklet and publish it worldwide

By reading and sharing the introduction booklet to FREE PYRAMID ENERGY is A WAY FOR each of us to make this vital information viral.

Please find it in your heart and soul to kindly share what the healing and protective qualities of pyramid energy can do RIGHT NOW for YOU, your family, your friends, your work associates, and for Mother Earth. Simply by introducing inexpensive pyramid structures into your personal environment and group environment can naturally revitalize and rejuvenate your personal and collective well being.

You can place various sized pyramids inside your home and garden made from paper, cardboard, wood, plastic, Styrofoam, etc.

Remember that Russian scientists have proven that non-metal pyramid structures with a high angled Golden Mean ratio slope, emit tremendous PYRAMID POWER as long as they are accurately aligned and set squarely to a true north position.

If you choose to build or buy fancy metallic pyramids, these are to be set squarely to an accurate magnetic north position and this can easily be accomplished through the use of an inexpensive magnetic compass.

The most important principle to bear in mind when moving portable pyramid structures, is to reset non metallic structures to a true north position and magnetic structures to an accurate as possible magnetic north alignment.

My I ask each and every one of you ,after acquiring this information, to PRINT OUT a copy of this *PYRAMID ENERGY* booklet and share it with as many others as possible, especially those who do not have access to the internet; or simply send the link below to everyone you know, Golden Key Library at:
<http://www.GoldenKeyLibrary.info>. This online booklet may be downloaded FREE.

Think about it! What a worthy “conversation piece” to suggest to family members, friends, neighbors, or at friendly group gatherings. Sure beats talking about the weather, how ill you have been or the latest scandals perpetrated on the royal family or famous celebrities.

And consider too how your own personal pyramid will be supplying the healing effects of PYRAMID ENERGY, day and night to our dearest, but dreadfully polluted Mother Earth .

Indeed in just a relatively short time, Pyramid Energy structures could be revitalizing and rejuvenating all life forms on Earth and producing greater effects than the total sum

of all of the worldwide “Green Movement” activities, however respectful, in the past 20 or 30 years!

It is the duty of all to strive consciously each new day to seek the attention of our fellow humans and to continue gathering momentum for our Worldwide PYRAMID Energy Public Disclosure MOVEMENT.

Please copy and post the snippet below onto your social network pages:

*“Join our **FREE PYRAMID ENERGY MOVEMENT** whose aim is to disclose information worldwide on how we each can use **FREE PYRAMID POWER** to revitalize, heal, save and protect ourselves, the **EARTH** and every living creature . Read and share our **FREE full disclosure booklet** at: [Http://GoldenKeyLibrary.info](http://GoldenKeyLibrary.info).”*

The booklet is the initial vehicle to encourage each and every reader to JOIN our rapidly expanding WORLDWIDE—FUN TIME, SOUL-FULFILLING EARTH CHANGING—Worldwide Pyramid Energy Public Disclosure MOVEMENT.

Chapter 5

FREE Pyramid Energy is Available NOW

The healing benefits of pyramid power can be easily accessed by everyone.

Since the pyramid energies decrease the potency of harmful substances in its surrounding environment and increase the potency of what is beneficial this lessens the need for health supplements. It may therefore be concluded that it is more economical to invest one's funds in further, perhaps taller and thereby more potent pyramid structures to obtain even better health and wealth potentials.

Remember that pyramid energy begins to immediately improve health and well-being of YOU, your family, your pets, livestock, houseplants and crops.

It is my intention to promote the publication of the many testimonials submitted by members of our worldwide movement who have built or bought pyramid structures of various sizes, with the aim of sharing their positive experiences, and hence, a host of new healing benefits will soon be unveiled for public knowledge.

All further experiments by an ever growing number of enthusiasts will no doubt lead to an array of newly discovered pyramid energy healing modes which, through our freely shared information centers, may be accessed and gratefully utilized by each and all of us worldwide.

So be it.

Bless us all.

How very blessed we are!

Chapter 6

Build or Buy Your Own Home Pyramid Energy Structures

Whether you build or buy a pyramid energy structure is up to you. The point is that the more pyramid structures are set into position, the more benefits of PYRAMID POWER will be felt by Mother Earth and all life forms upon her.

Therefore, please, do your part to fulfill every well wisher's positive desire for the greater well being for all by building or buying any of the various sized indoor and outdoor pyramids.

By doing so, you will be certainly treating yourself and your loved ones to a more rejuvenated and healthy life.

Some people sleep under an overhead pyramid, positioned or hung above their heads. Others meditate inside an indoor or outdoor pyramid energy environment. Rest assured, whatever your choice of utilization, the presence of a pyramid structure will naturally empower you with calmly centered soul-fulfilling creative thoughts, feelings of harmony, joy, laughter and a constant divinely felt state of well-being.

You might consider creating a pyramid as a "think tank" to share with family, friends and even your local disclosure movement members.

A metallic pyramid can be easily constructed and set to magnetic north in a few minutes. Simply use four wooden poles to form the square base of your pyramid. Wind or coil copper wire (whatever thickness desired, though I imagine the thicker the more powerful) around each of your pyramid base pieces.

Use the same procedure on the upright pieces (remember to apply the golden ratio to these) before setting them at an angle to make a perfectly centered pyramid structure.

To create a copper-coiled pyramid structure for meditation, prepare a 5-foot square base with 8.1-foot uprights (following the golden mean ration). Set the upright pieces in each corner. Angle each to midpoint and join. Set always to magnetic north.

If, for example, constructing a 30-inch square base pyramid to hang over your bed, the uprights must measure a golden mean ratio of 48.6-inches.

A WATER PYRAMID?

Since water is highly conductive, pyramid structures could become decorative monuments and constructed out of PVC pipes with sides made from fiber glass sheeting. The Russian scientists built more than 50 such pyramid structures worldwide.

By installing a fountain to spray water down the sides from the top of the pyramid and to be pumped back again to the top through copper pipes would super charge the energetic capacity of the pyramid and would create an attractive display from the effect of the sun rays on the streaming water during the day and from the moonlight during the night. What a striking super-charged FUN IMAGE!

Hopefully, we will see such attractive creations in cities worldwide soon!

Have FUN with your own unique pyramid “think tank” structure ideas too. What a wonderful way to express your creative capacities, either alone or in companionship with others!

All is well.

Here is an artist’s interpretation of the 45,000 year old European Pyramid in Bosnia, discovered by Professor Sam Osmanagich. Five scientific teams from USA, U.K, Germany, Austria, and Italy have confirmed that this Bosnian Pyramid dates back to more than 45,000 years ago and is almost twice the height, and is even more perfectly constructed than the Great Pyramid of Egypt. The continual free energy field measures 30 kilometers across, and extends vertically to a height

of 5,000 meters and below to a depth of 5,000 meters.

A series of underground tunnels are honeycombed underneath this pyramid and more wonders are continually being discovered within and around it.

Note: First International Scientific Conference on the Bosnian Valley of the Pyramids was held in Sarajevo (Bosnia-Herzegovina) in August 25-30, 2008 (www.icbp.ba) with 55 leading experts from Egypt, Russia, China, Poland, Saudi Arabia, United Kingdom, Croatia, Austria, Montenegro and Bosnia giving full support to Osmanagic's efforts and recommending establishment of the Center for Pyramid Studies in Bosnia.

Find more at: www.semirosmanagic.com/en/bosnian_pyramid.html

A team of physicists detected an energy beam coming through the top of the Bosnian Pyramid of the Sun. The radius of the beam is 4.5 meters with a frequency of 28 kHz. The beam is continuous and its strength grows as it moves up and away from the pyramid. This phenomenon contradicts the known laws of physics and technology. This is the first proof of non-herzian technology on the Planet. It seems that the pyramid-builders created a perpetual motion machine a long time ago and this "energy machine" is still working. Chapter 7

Construction of Worldwide Pyramid Energy Structures Will Swiftly Heal and revitalize the entire Earth

At this point, you most probably have acquired a fairly good idea of the potential benefits of “pyramid power” and the importance of erecting as many structures in your home and/or garden or workplace as soon as possible.

The more healing pyramid energy structures built across every nation on Earth, the healthier all life forms on Earth will obviously soon become, including you, me and those we love and hold dearly in our hearts and souls.

Enjoy the feeling of this powerful thought....

“We the people” collectively will soon demand with much might and vigor that government leaders or officials **MUST** and **WILL** comply with our insistence that pyramid energy structures be built everywhere within and without of our towns, countries, regions, states, national and international locations.

We can do it.

So be it.

Chapter 8

Pyramids Offer Path to a Golden Age on Earth

It is my hope that readers of this booklet possess insight into how our worldwide major media system is CORRUPT and needs to be held to account for failing to DISCLOSE clearly and fully what we and a rapidly “gathering mass” of now awakened humanly embodied souls now KNOW.

PYRAMID energy can relatively cheaply and effortlessly rejuvenate, revitalize and restore our entire planet and all precious Kingdoms of Life upon it. .

Healing pyramid energy structures clearly offer us all a sure-foot path into a Golden Age on Earth.

For most of the recent years of my life, I have been fortunate enough to do what I love and love what I do and such I am doing now in scribing this *Worldwide PYRAMID Energy Public Disclosure* booklet.

Chapter 9

Fill Your Home, Garden and Neighborhood with Pyramids

M*ay you fill your home, garden and neighborhood with various sizes and forms of healing pyramid structures.*

The construction of a pyramid is so simple, easy and swift especially when made from cardboard or wood of any size or angled shape or the pyramid height you desire.

Any older child or adult can do it, so there is no reason not to get started and build one, two or more soon after reading this booklet.

My first pyramid structure was made of paper by cutting four exact identical shaped pyramid sides then simply taping the four triangular shaped pieces together from base to the top. To my delight, it stood up as a perfectly shaped pyramid.

Since I already knew that the “higher” the pyramid the more powerful it would be, rather than using the Great Pyramid ratio, I made mine taller, similar to the ones the Russian scientists built.

I immediately placed my first, personally created, pyramid structure on a table in the direction of what I guessed was a near square true north alignment.

Since then I have made several larger and stronger pyramid structures from cardboard and I plan to build a heavy copper wire or pipe, metallic pyramid that I can set easily and accurately to magnetic north with the fine compass I bought and also a taller one outside for me to sit inside during the warm temperatures of summertime and maybe meditate or just enjoy quiet times.

I also plan to use my pyramids to place food, water, and health supplements or charge up crystals or granite stones with nature's pure and totally FREE healing energy to share with family members, neighbors, and friends.

What FUN.

My first priority each morning (normally 7 days a week), is to compile and post my daily FREE worldwide email “Message from Michael Worldwide Newsletter” to my list of subscribers, in their thousands, whilst completing his FREE Pyramid Energy booklet. I am also working on a full size FREE *PYRAMID Energy* book offered for publication in all major languages.

I know that many if not most of my dear long-time FREE email Newsletter subscribers (some now following for nearly 20 years) will enthusiastically help launch this public disclosure MOVEMENT.

Likewise, for my now more than six hundred worldwide lightworker email LIST HOLDERS.

One prominent list holder, the very dear, loving Stacey Robin, founder of the “GO Gratitude” Lightworker community, has a list of more than 100,000 subscribers. I’m hoping that Stacey and many of her members will do their best to help us launch our vital pathway to a Golden Age on Earth via our disclosure movement.

Will you thoughtfully and kindly do the same?

Hopefully, we will soon have volunteer translators for the FREE booklet and also for the full size book in all major languages.

Please do all you possibly can to alert as many groups and organizations in your own local regions and encourage them to do the same.

What we sow we reap, by Universal Law.

I have repeated often in my books (40 published to date, which can be downloaded at my Golden Key Library website), for I know it is true: any thought, feeling, or act you think or do that is beneficial to you is, by the Law of One, extended to all those on Earth, whether near or far. This is also sustained by David Wilcock, Dr. Patrick Flanagan, and other highly enlightened souls.

This means that through free will and the “Law of One,” that first Absolute Law of Nature created by the One Prime God Creator of All That Is, you can forever specifically choose what you truly desire. There is literally “nothing you cannot be, do or have”.

Do not underestimate your power and capability as you become a committed member of this disclosure MOVEMENT.

Bless your heart—and all that you do to uplift and help yourself and others daily.

By the Law of One and free-choice creation your power of INTENT can “move mountains” and create “new worlds.”

Chapter 10

Help Build

Healing Pyramid Structures in every country

Start by joining with others to build local, regional, town, city, country, state, national pyramid energy structures.

You must surely realize that if humanity waits for governmental leaders to take initiatives to release themselves and in turn, free all citizens from the grip of the dark Military Industrial Complex, that wait could be forever.

Awakened Lightworkers know that major governments worldwide and their leaders are obliged to obey the controlling dark cabal forces or are either assassinated or subtly removed, and replaced by those who follow their command.

Why do you think Abraham Lincoln and the Kennedys were assassinated ? Wasn't the late Hugo Chavez who assassinated via a lethal dose of toxic, cancer causing substance which he only discovered after it was far too late?

A bright new Heavenly Light is now shining on a multitude of hidden agendas and revealing TRUTHS which are bursting forth and inevitably exposing all forms of darkness on Earth, in all walks of life.

Darkness cannot exist within the light of transparency or in the growing light of knowledge.

As more light shines on WHAT REALLY HAPPENS BEHIND THE SCENES, the World Controllers are gradually losing more and more of their rigid control, which was required to silence worldwide major media, in order to keep their horrible dark secrets from being exposed.

Light is the shining purity of love, whether it comes from our SUN or from YOU or any “whistleblower” in the form of the “light of disclosure” . . . thus is also to be perceived as the light of knowledge.

LIGHT and LOVE on Earth are now more DOMINANT than the DARK ENERGIES, and fear slowly is being transmuted. This is clear for all to see, not a wishful thought. The OLD dark ways of creating war, terror and use of brute force by the Worldwide Controllers is diminishing perceptibly.

There now is an ever-glowing brighter light of transparency as disclosure of all hidden secrets is increasing daily.

As was prophesied by one of many seers in REVELATIONS, “The “secrets” will be shouted from the rooftops.”

When duly translated into our “end times” 21st Century language, “roof” means overhead—the high-tech antennas on our roof tops or satellites above, are NOW broadcasting, disclosing all kind of “dark secrets” past and present agendas via TV, Radio, and Internet. Blessed are we.

So be at peace, The “BEAST” is already well into its final “death throes.”

And so how does constantly flowing FREE pyramid energy become a mighty, collective invincible force for the true good of all life forms on Earth?

Fortunately, dedicated “way-showers” have learned and demonstrated how gradual, progressive new paradigms can transform the world for the better. The meek 99 percent of the world’s population have the opportunity to effortlessly, collectively defeat the one percent of seemingly ultra elite, powerful group of World Controllers.

Ponder this please.

All successful world-changing “social improvement movements”, as the notorious seer Edgar Cayce emphasized strongly more than eighty years ago, must start from a one-to-one “grass roots” base.

Often very tiny groups of between two and nine members eventually, by the Law of One, naturally converge to a critical mass point, where a collective, unstoppable “we the people” force takes back control, for the GOOD (for GOD) on Earth.

Got it?

In time, one local pyramid energy disclosure MOVEMENT, anywhere on Earth, beginning with one member will become two or three well-informed dedicated members, who in turn intentionally branch out to become 5, 10, 50, 100, thousands, etc. until increasing numbers of locals continue to create groups nationwide and eventually worldwide.

This powerful, worldwide ever increasing collective—will steadily reach a final, natural, powerful bursting “critical mass” saturation point of a fully conscious convergence into ONE united force for invincible GOOD (invincible GOD) on Earth.

Ponder it. Is not the ONENESS of All That Is evident in this growing grass roots movement for GOOD?

NOW, upon acquiring this knowledge, why waste another valuable day on Earth—doing nothing to relieve our dear so very long suffering, Mother Earth ?

Will you admit that you truly are more “enlightened” by what you have just learned about the powerful healing qualities of pyramid energy, that our dear brother Dr. Patrick Flanagan rediscovered ?

Soon many people will be well informed, greatly enlightened, self-empowered and will be willing to join with you to form groups and serve this information to your local and national authorities and seek the attention required from local media outlets. In due time I assure you, by following this above outlined group growth process, we can and will pave the way to our Golden Age on Earth.

Together, we will create the demand for great numbers of mighty, healing pyramid structures to tower over our towns and cities, forming protective barriers and emitting healing energy for all.

Hold that divinely glorious IMAGE vividly in your heart soul so that you can “feel” it with me, please.

In the upcoming chapter, you will find more guidance on how you can personally become a high-powered “Whistle-Blower” by joining and being an active member of our PYRAMID Energy Disclosure MOVEMENT.

'nuff said. Let's do it!

So be it. WE are ONE.

Chapter 11

Choose to become an ACTIVE Pyramid Energy “WHISTLE-BLOWER”

It is the conscious, active whistleblowers across the globe from many walks of life who are concerned for the greater welfare of the whole of humanity, that have shone their bright Light of Knowledge into dark places.

Whistleblowers are paving the path to a brightly lit new world where the practice of transparency and TRUTH in all matters must and will lead all Humanity into a genuine Heaven on Earth Golden Age.

Because of our (yours and mine) natural Divine heritage as “offsprings”—extensions and expansions—of our ONE Prime Creator GOD of All That Is, your or my single focused, coherent human mind is powerful enough to change and even to create new worlds.

So what happens when a large worldwide group of human souls unite as one mind focused cooperatively on the same fully, mutually agreed positive greatly desired “outcome?”

I know for sure! Mighty, uplifting social changes occur.

As related by David Wilcock on page 133 of his book, *The Source Field Investigations*,” as documented by a group of social scientists, when a group of awakened people focus their minds on the same thought-form IMAGE such as, “A day of peace on Earth,” miracles did and do occur.

In one of several such fully documented scientific experiments, seven thousand people who meditated on the exact same thought of PEACE worldwide at the exact same time in their various locations on Earth successfully reduced terrorism worldwide by 72 percent for that entire day.

Several follow-up experiments also very well documented by the same group and other highly motivated groups soon followed with the same incredible, calming, worldwide earth changing results.

DISCLOSURE!

DISCLOSURE!

DISCLOSURE is the heart and soul of our FREE ENERGY healing PYRAMID POWER worldwide MOVEMENT.

Think of what YOU, me, and hundreds of thousands—or PERHAPS SOON millions—of determined, dedicated Worldwide Healing Pyramid Energy “WHISTLEBLOWERS” joining forces can accomplish?

HOLD that magnificent powerful IMAGE in your mind please.

Chapter 12

SPEAK UP!

Spread the Word!

Worth repeating....
DISCLOSURE!

DISCLOSURE!

DISCLOSURE is the aim of our MOVEMENT.

Please begin sharing what you have already learned about healing pyramid energy.

Read and share our FREE full disclosure booklet at: [Http://GoldenKeyLibrary.info](http://GoldenKeyLibrary.info).”

Gift copies of the booklet to family and friends who want to know more of “what you seem to know”

Invite neighbors and friends to visit your home and be pleasantly surprised and curious as to why you display pyramids of different sizes in each room.

This is a down-to-earth way for anyone to create interest in the healing and protective qualities of pyramid energy.

The atmosphere of harmony in my home, your home, all homes, all shops, stores, businesses, stadiums, schools, churches, towns, cities, states, nations etc. etc. the warm cozy feeling of a healing oasis of pyramid energy will be noticeable.

This is especially true if your home residence is situated within a jungle of city buildings!

Besides passing the word about the healing benefits of pyramid , consider too, keeping extra printed FREE read booklets within easy reach, in your car, in your home or at your work place for quick handouts.

. Consciously entrain yourself to be ready and alert to talk about FREE power of pyramids any time of the day or night wherever you wander and whomever you meet or interact with.

WE are ONE.

Chapter 13

Focus on the image of PYRAMID Energy Structures Across the Earth

The use of an IMAGE when intending to manifest something we desire is so powerful. I devoted an entire book to the subject entitled, *The IMAGE—the Source of all Personal and Cosmic Power.*” It is available FREE to you or to anyone worldwide at any time at our Golden Key Library Website URL address posted in the APPENDIX of this volume.

So please do this with me:

Bring your attention to the IMAGE of great numbers of healing PYRAMIDS across the entire Earth emitting their energies and healing all within their magnetic fields. Focus on their various sizes and heights.

*** IMAGINE you, your family and dear loving friends enjoying dynamic healing PYRAMID energy HEALTH.

*** IMAGINE the atmospheres, our skies, our lands, oceans, lakes, rivers, and streams all pure and crystalline clean.

*** IMAGINE all kingdoms and forms of life upon and across Earth revitalized

*** IMAGINE a calm, temperate pleasant global climate gradually encompassing all of our dear Mother Earth.

As you hopefully already know by now, the more intense heart-felt feeling and the more detailed thought you give to what you intend to experience, the swifter that desire calls forth the ever-present Law of Attraction to draw that desire into becoming a rapidly, personally experienced “reality” to you individually.

IMAGINE what will happen as the result of a collective group of humanly embodied souls focused on “manifesting” the identical positive desire on an agreed aim.

In the ONENESS of All That Is—by and through the Law of One—whatever anyone, you, or me, or a collective of us can IMAGINE or think of is possible to create:

Chapter 14

Golden Age on Earth, Here We Come

Think before you act.

You can become a major “key player” in our public “disclosure” MOVEMENT.

DISCLOSURE! DISCLOSURE! DISCLOSURE is the heart and soul aim of our FREE PYRAMID POWER worldwide MOVEMENT.

Individuals can express their free will and simply do their own unique thing to expand our united disclosure movement, worldwide, as rapidly as possible.

Please kindly share your creative ideas with me via email at: Age-Reversal@aon.at. I will relay them to our other movement members worldwide—at our Golden Key Library web site; www.http//GoldenKeyLibrary.info.

Please do all you can do to make your active membership a soul-fulfilling “fun” experience.

Do what you love and love what you do.

The “good life” is, in reality, the “God life”, as explained in my FREE book, “Feeling Good is Feeling God.”

When you see a good movie, you normally would tell your friends how “good” it was! It is how GOODNESS or GOD-NESS expands and grows infinitely through our vast, eternal, All That Is CREATION.

It is through genuine, loving, caring “people helping people” that any human or sentiently inhabited water planet expands eventually into a light-filled Golden Age, Galactic Star Nation society, as our so naturally beautiful Mother Earth is destined soon to become a new star in the infinite “heaven of existence.”

In that vein of light, if you find that IMAGE interesting, you might wish to learn more by reading my FREE book, *The Birth of Earth as A Star*, which I wrote almost two decades ago. It was published in several languages and is now available at our Golden Key Library Website address posted in the APPENDIX “contacts” segment.

All is well.

Bless us all. WE are ONE,

WE are ONE in the ONENESS of All That Is

Chapter 15

Building Your Own Pyramids

ALWAYS REMEMBER: there is a difference between *true north* and *magnetic north* pyramid alignments.

If you use non-conductive materials in the construction of your pyramid, it must align squarely with true north.

Five basic low-cost and easily available non-conductive pyramid structure materials are paper, cardboard, wood, plastic and Styrofoam.

When using metallic materials your pyramid must align squarely with magnetic north.

Any metal such as titanium alloy, copper, iron, steel, and even aluminum tubing, rods, or wire conduct electricity to a greater or lesser degree. Titanium alloy is best.

Dr. Patrick Flanagan stated to me personally that titanium alloy is the most conductive metal and he has used it in the design and manufacturing of his own pyramids.

All you require to build your own pyramids are eight basic pieces which are to be fitted together.

If you wish, you can coil copper wire around the eight non conductive poles or planks and turn these into conductive material. Four of the eight pieces, which must have the exact same length, form your perfectly square pyramid base.

The other four pieces will form the Golden Mean ratio pieces that slant up from each corner of the pyramid base to naturally meet together and form the midpoint tip of your pyramid.

To make certain all pieces are the exact required Golden Mean ratio, use the table below to choose the size of your square base. The size for the upright pieces are also given.

For example: if you select a 10-inch perfect square as the base, the upright pieces, placed at an angle, must measure exactly 16.2 inches. This is the Golden Mean ratio from the bottom to the exact midpoint TIP.

If you are constructing a metallic pyramid, you will also need a good magnetic compass. Set your pyramid to an exact square magnetic north alignment. Voilà! It is ready to use.

IF is it non-conductive material, it must be set to true north.

Golden Mean RATIO Size “SET” (Russian “Wide Angled” Pyramids)

You can measure in inches, feet, yards, or meters ...and choose the Golden Mean ratio as posted here below.

Sq. Base Line Length	Angled line length
10	16.2
100	162
50	81
25	40.5
12.5	20.25
6.25	10.125
3.125	5.625
1.5 + 0625	2.54 + 31.25

ALSO WORTH REMEMBERING: The taller the pyramid the more powerful the emissions.

There are three basically different designs of pyramid structures which have different angles for different intended purposes.

- 1) The Cheops Great Pyramid in Egypt has an angle of about 45 degrees from the corner points of the square base to the exact midpoint of the pyramid TIP.
- 2) Russian scientists used the design of wider angled, taller structures which have an angle of about 60 degrees.
- 3) Differently to most of the other 10,000 known pyramid structures on Earth, the South American “lower” pyramid stone structures are angled at about 20 degrees and have no central tip.

You may want to read user testimonials on proven pyramid energy benefits transmitted to food, water, wine, coffee, medicines, crystals, granite rocks,- fruits, herbs, health supplements.

Although the Russian “wider angled” pyramid is more powerful, I want readers to also know how to construct the design used to build the Cheops Great Pyramid of Egypt .

Bob Towers said that his 9 ft. square based copper pyramid is built to exact PSI Golden Mean ratio for the 52,001 degrees CHEOP angle.

Line length of square base - - Line length from corner base to mid-point at pyramid TIP

Line Length of base	Line length to tip
4.5 ft.	3.5 ft.
9 ft.	7.3 ft.
18 ft.	14.6 ft.
36 ft.	29.2 ft.
72 ft.	58.4 ft.

IMPORTANT FACTORS

TWO key factors must be taken into account to obtain maximum PYRAMID POWER healing energy effects:

The angle created at base corner to pyramid tip and the interior volume of space within the pyramid structure.

- 1) Objects must be placed at circa one-third of the height from base to the tip. (As per the King's Chamber in the Great CHEOP PYRAMID in Egypt.)
- 2) Dr. Patrick Flanagan stated that if you take the square root of 5 and divide it by 2 you have the height of the King's Chamber. [1.1180339887]
- 3) For maximum pyramid power, any object placed inside a pyramid in order to become “charged”, should only take up 5% of the entire volume of the internal space. Said another way, the charge will be more laser focused if the object occupies one-twentieth or less of the interior volume of the structure.

This is a good reason to build or buy larger structures since you receive far more ever FREE flowing healing energy from the PYRAMID POWER.

Learn all you can about HEALING ENERGY USES OF PYRAMID POWER.

Remember you can find a myriad of PYRAMID USER testimonials posted at many of the pyramid user website resources easily found at search engines such as “Google” on the Internet.

Do not forget to place your garden seeds - house plants, granite rocks inside your pyramid and place the latter among your garden plants after being charged.

For those of a scientific mind:

Easy Plans for Building Any Size Pyramid That Will Work Like the Great Pyramid of Giza From Ken Adachi, Editor <http://educate-yourself.org/pyr/howtobuildpyramid05sep11.shtml>

Also:

How to graphically derive the Golden Ratio using an equilateral triangle inscribed in a circle: <http://www.geometrycode.com/free/how-to-graphically-derive-the-golden-ratio-using-an-equilateral-triangle-inscribed-in-a-circle>.

Here's a recent correspondence with Bill H. who just built his own Pyramid:

Bill H. wrote:

Dear Mr. Russ Michael,

Yesterday I spent the day building a pyramid out of PVC pipe based on the specs in your FREE pyramid book and it looks pretty good. I lined the pyramid up to as true north as possible as per a compass. I'm wondering what is a test I can do to know that it works. I did put water in the center of it over night, I was thinking that the water would change based on the video, where the person hit the bottle it changed to ice, I am now guessing the water only changed because of the cold temperature it was in at the time in the video.

Is there a way to know that it works? I'm not 100% sure that I have the pipes going up 100% precise.

I look forward to your reply.

Warm regards,

Bill

Russ Michael responded:

Dear Bill H.,

I am learning about, gathering trustworthy INFO about pyramids, Patrick Flanagan knows so very much through his own research, but from what I read here . . . IT SEEMS you might need to do more "homework" in re-reading the FREE booklet.

Plastic, wood, cardboard, non-conductive PC pipe material, etc.---according to Patrick---is more powerful than METALLIC MATERIAL CONSTRUCTIONS however they must be set to straight square TRUE North. (Perhaps, except when using expensive Titanium allow material, then your Pyramid must be set square to MAGNETIC North)

I remember that MAGNETIC North is a far different alignment than TRUE North.

True North Worldwide Atlas <http://www.astro.com/atlas> (Longitudes & Latitudes)

Metallic pyramid structures are easy to set in perfect alignment to MAGNETIC North as the compass hand points directly straight to it within 1 degree!!

You need to go to the website to get the exact Longitude and Latitude setting for a perfect square TRUE North in whatever city, or town big enough to be listed worldwide, that is included in this ATLAS listing of Longitudes and Latitudes for cities, towns, etc. worldwide.

Patrick Flanagan is ultra busy daily---as I too am now---with my full size pyramid disclosure book rendition, but he might have a FREE moment to respond to you---SO I will CC this email to him---but DO NOT count on a reply from him.

I have a good magnetic compass, but I too, have to stop to figure out how I can compute my exact alignment in the small village I live at here in Austria. I went to the website and got my Latitude and Longitude reading on Vienna, 200 miles from me, and then to another small "town" only 4 miles from me here in Austria, but I have been far, far too busy to stop my work and try to figure out

what my exact reading alignment---via using my Magnetic Compass, must BE--- before my 3 large cardboard ones will be set to an exact---hopefully within 1 degree---of TRUE North alignment of my home location....

Meanwhile, I have them NOW set temporarily to MAGNETIC North, just for the FUN of it.

I am determined to "help others worldwide en masse first" via the wide publication and reading of my FREE booklet and the completion and publication of my full size book in many languages---before I pause

and make the time to "help myself" for when a single "other" benefits I KNOW . . . in the ONENESS of All That Is, I too, and my beloved ones benefit.

GOOD work. And good luck with it. Blessings and love. I am, Russ Michael Age-Reversal@aon.at

AGAIN ALWAYS REMEMBER there is a difference between TRUE North and MAGNETIC North pyramid alignments.

If you use non-conductive materials in the construction of your pyramid it must be aligned squarely with True North.

Homemade “meditation size” pyramid **Bill Hanoski**, in Canada. Created out of low-cost PVP pipe in two days and set to True North, after reading the “how to” instructions in our **FREE DOWNLOAD** <http://www.healingpyramidenergy.com>

Bill currently reported he has also been experimenting with building a copper pyramid (set directly to Magnetic North); Bill wrote, “When I have the top of the pyramid completed, I will send you a picture to show you how it looks. He continued, “Yesterday I put a crystal on the top of the copper pyramid and **WOW**, my head started to tingle and energy was running through my body; it was amazing! Prior to that, I only felt a small amount of energy- in comparison.”

NOTE: If you wish to see a photo of Bills finished copper pyramid, with an 18” square pyramid base, please contact Bill Hanoski about his pyramid building expertise directly by email: bhanoski@shaw.ca

Chapter 16

Pyramid Personal User Testimonials

Note POST from Pyramid of Life Inc.

Only a small portion of thousands of testimonials received from users of our pyramids, water and pyramid matrix, scientists and specialists are presented here on our website: <http://www.pyramidoflife.com/> Email - info@pyramidoflife.com

Georgiy Grechko, Russian Astronaut

I have visited many pyramids in many countries around the world, but after visiting Golod’s largest pyramid, my grey hair became darker all of sudden. Alexander Golod is the only one who is not simply researching pyramids, but is also using them for practical benefits.

Valarily S., Toronto

I was about to undergo an operation for removal of kidney stones. I had to wait a few months and so I decided to try pyramid matrices. In a few weeks I had sand coming out with my urine. The process was long. When I went for a test, it determined that not only kidney stones were gone, but cysts on kidneys as well. You can call me and ask me anything you want, but my family and myself can no longer imagine our lives without pyramid matrices and our mini-pyramid

N.P., 46 years old

Complex fracture as a result of a car accident affected my entire life. It was a miracle I survived it. 1.5 years doctors were “gluing” me together piece by piece. Permanent disability was being considered. The Great Maternal Pyramid gave me back my normal life.

A. Polosov

I felt that the power of mini pyramid helped enhance my immune system. Before, I had flu and therefore I decided to test pyramid meditation. My flu was gone after 3 hours.

P. Gofman

Five years I have been suffering from migraine. I could not find doctors who could help me. Therefore, I came to the Mental Health Care Community Center, where I met good specialists. They offered special program of treatments for me. My migraine was gone after four months. Now at my home and at my office I use mini pyramid and matrix for meditation. The result is a state of absolute inner freedom.

Frenica Benalucci, Milan

I work as representative of my company in Moscow. Have been using pyramid water for six weeks. After returning back home I kept explaining to friends and family that did not undergo any cosmetic surgeries and have been using only pyramid water. I definitely look younger and feel great.

Prof. M. Grosman, director of medical center “Pyramid”

For more than two years, we have been conducting clinical studies on more than 5,000 patients who were visiting medical center “Pyramid”. We were also placing medicines inside the pyramid. We did not get any negative results. Medical remedies, which were inside the pyramid, significantly amplify their effects.

Claudia S., Florida

I’m 80 years old. For over 40 years I was suffering from headaches, which was located in the right side of the forehead after I got sick with virus flu. None of the painkillers worked. I decided to try the effects of the pyramid water and matrices. What a miracle! I can’t express my joy without tears, as after 2 hours of keeping a matrix on the most painful spot the pain was gone. I have been using pyramid and matrices for the past 6 months, and I drink pyramid water. My blood pressure has stabilized. It was 180 – 220 and now, even using the same medications, it’s 120 – 135. I lost 10 lbs. I’m not on any special medication or any kind of diet. Every spring, when trees were blooming, I was suffering from allergies. This year I had no allergic reactions even when eating fruits, to which my organism was especially sensitive. Thanks a lot.

Nadia Zinchenko R.N.C.P., D.N.M.

I have been working with Alexander and (his son) Anatoli Golod for over a year. We have formed an International Partnership for Pyramid Research and we are trying to make known to the entire world the research findings on the Russian Pyramids. I have appeared on many national radio programs to talk about these pyramids and the research. In fact, I have done several live radio programs with Anatoli Golod from Moscow. I am also including a major section in my book, which will be published this year on the Russian Pyramids. It is my opinion that this research has the potential of changing our world for the better.

The research was done by the most prestigious institutes in the former Soviet Union, including many branches of the Russian National Academy of Sciences. I am convinced that these effects that are reported are real and will be reproduced by other institutions. I am also working with the Ukrainian researchers who have been studying these pyramids. I have devoted a large part of my time in promoting this work and encouraging peer review and additional studies to confirm these results. The benefits for medicine, agriculture, and ecology, to name just a few areas are tremendous. I hope together with the Golod's we can continue to do research and confirm the results obtained so far. John DeSalvo, Ph.D., Director of the Great Pyramid of Giza Research Association and Co-Director of the International Partnership for Pyramid Research

From December 15, 2001 to October 10, 2002 in collaboration with Pyramid of Life Inc. we were conducting research to determine the effects of geopathic zones on various illnesses. For the research we were using mini-pyramid of Alexander Golod, pyramid matrices and pyramid water created according to Alexander Golod's technology. During this period we have researched 37 homes of our patients, who were suffering from migraines, insomnia, fibromyalgia, various chronic colds, various types of arthritis, etc. In each case we discovered that patients were living in geopathic zones for long periods of time. In order to locate these zones we were using a special device called IGA-1 – indicator of geopathic anomalies.

Geopathic zones were disappearing within 5-6 minutes after we were placing a pyramid in zones' centres. After neutralization of geopathic zones, people who lived in these houses, were feeling much better. Many unpleasant feelings, such as insomnia, migraines, muscle aches, etc. were gone. Results of the research are confirmed by tests and measurements by Dr. Voll's method and by various medical tests. Also, using Dr.

Voll's method we were able to check how pyramids enhance naturopathic remedies. Using German device Kiddling-2000 we checked remedies before and after they were placed under the pyramid. Remedies, which were under the pyramid for some time became more effective, compared to the same remedies, which were not influenced by the pyramid. Alexander Golod's pyramids are the natural, inexpensive and effective way of harmonizing space and neutralization of geopathic zones.

Galina B., Registered Nutritional Consultant, Naturopath

At first I was skeptical about the advertisement, because in the beginning I could not explain to myself how the pyramid "works". But then I noticed, that water in a jar after one day under the pyramid became viscous and dense, as if you are pouring water, which was in a freezer. And that means, that pyramid "works" regardless of whether we can explain it or not. When I had angina, I gargled with that water and angina went away. - Once was enough. - Once, when I burned my hand, I placed it under the pyramid as I was advised to do, but was unable to hold it there for a long time because I was feeling a stream of hot energy, which was so strong it was burning my hand by itself. I tried it a few times, but could not hold it there for more than 5 seconds. Which means it works? I place small plants above the pyramid and they "heal" by themselves. Everyone has to try it and everyone will get their own results. Even if we cannot explain something, it does not necessarily mean that it doesn't exist.

Arkadiy Levinski, M.D.

Dear Pyramid of Life Inc! I would like to share my impressions after using pyramid matrices, of which I learned from an ad in a newspaper. I obtained more detailed information after a phone conversation with the company's president, Edward Gorouvein. One of my relatives and several of my patients, suffering from unbearable joint pains, who had tried various healing methods (physiotherapy, acupuncture, massages, injections), acquired pyramid matrices. After one month their pain diminished so much, that they were able to move without canes or wheelchairs. The results became more apparent after 1-2 weeks. The matrices were especially effective when used in pairs – one on opposite sides. Some strange and unexplainable (at least, to me) phenomenon was taking place. This phenomenon deserves special attention and further research and dissemination, which will help shed light on a new discipline in science and medicine, in particular, helping people fight various illnesses, sometimes even avoiding surgical operations. Best regards,

V.K.

I'm dealing with a powerful form of electromagnetic pollution. I've tried various types of devices for protection against electromagnetic radiation. Your products are completely harmless, compact, convenient and, what's more important, very effective.

Tadeush M., Montreal

After many years working as a truck driver I started having back problems. I thought of quitting my job. I tried matrices and to my surprise they helped. A few months later I bought a mini pyramid. Now I have my own business, which has been my dream for years.

M.K., Tel-Aviv

... got rid of many women's problems. These things (matrixes) are really a miracle.
M.K., Tel-Aviv

Vera, Milwaukee

After working for 8 hours daily in front of a computer my son started getting headaches, his vision got worse. It took me a long time to convince him to place pyramid matrix on his computer. Finally a tremendous relief came. Now we are all using pyramids and matrices.

Karl, Czech Republic

In the past I was a professional athlete, a volleyball player. After tearing my Achilles tendon, I was forced to quit sports. But my injured leg was always bothering me, especially at nights. A few days after I started using pyramid the pain had diminished. It's been six months and the pain in my foot is gone. My sleep has normalized. Thanks to all the pyramid creators.

Dr. Oleg Grube

The matrix helped me get rid of intestines inflammation.

Elena, Toronto

Thank you for the pyramid and the matrix. I learned about incredible properties of the pyramid from newspapers. And I was glad to know that many people believed in healing abilities of the pyramids and helped tell the rest of the world about them. And now about my own experience. My organism has many deviations: bronchitis, anemia, gastritis, pielonephrit, colitis, and arthritic rheumatism. And for the past 5 years my lower back problems have worsened as well. Apparently the vertebrae have shifted. It was awful - I am an independent person my nature, but I had to rely on someone else even to go to the washroom. I started having chest pains, but wasn't looking for any remedies. But when matrices showed up, it all changed.

After a couple of months I was able to do simple exercises without anyone else's help, I started taking morning walks, did some tai-chi, then signed up for yoga class. Any physical exercises I tried before were deplorable. The first time I put a matrix on, I could

not keep it on for more than two hours. Chest pain had increased. I could tolerate it, but I was afraid. Decided to do it gradually. Then put it on after a few hours and took off already 6 hours later. Then night came and I slept better. After a week and a half the chest pain went away. I was changing matrix placement all the time: chest during the day, kidneys during the night, lower back in the day and heart for the night.

The sensations varied. In the beginning I was feeling light prickling in the areas of matrices. After an hour I was beginning to feel a growing power as if it concentrated in the sore spot. The result was so incredible, that after one week I wanted to place matrices all over my poor body. I would like to say that pyramids and matrices not only correct deviations, but also increase the overall vitality of the organism. Of course, they are not a universal panacea, but they help organism to tune onto the Universal wave of harmony and help us live and work in unison with the cosmic energy. In our house everyone wears a matrix. My mother is 71 and she has many illnesses, mostly problems with heart, kidneys, and varicose veins, etc. She has not taken a matrix off in more than a month and she feels great. We charge water under our pyramid and everyone drinks this water and uses it to make coffee and tea.

I also wash myself with the pyramid water. People, who have not seen me in a few months, ask me if I just came back from a vacation or if I started using new cosmetics. They say I look younger. And I can see for myself that the color of my face and the skin texture has improved. Since I put two matrices under my sons' pillows, they stopped complaining about bad dreams and restless nights. Actually, since matrices and the pyramid in our family, some changes took place. I live with my two children, my husband and my mother. Everyone has attitude, and we had enough nervous breakdowns. And now it's peace and quiet. Everything is discussed in a calm atmosphere. I want to say thank you for your help. I hope the others, who know, are also grateful.

M. Damien, Registered Nutritional Consultant, Professional Kinesiology Practitioner

Golden Section Pyramids harmonize energy fields around them. With the help of muscle test (kinesiology), we can measure a relative level of the pyramid energy field. By the exponentially increasing scale of 1 to 1000, where death is 1, love is 500, peace is 600, and full enlightenment or God's energy is 1000 (see "Power vs. Force" book by David R. Hawkins, M.D., Ph.D.), ceramic pyramid was measured with a level of 599, and crystal pyramid with a level of 520. Even within a 3-meter radius the ceramic pyramid

was measured with a level of 515, based on the above-mentioned scale. Pyramids can amplify your thoughts, your intentions in order to help you achieve what you desire in health and other areas of your life. It is wonderful to have a pyramid at home. There are so many ways of utilizing it or to have it simply as a friend, who can cheer you up while boosting your energy level.

Nickolai, winemaker

The wine placed inside the pyramid for 30-60 days shows amazing results in comparative tests. Wine tasters always notice wine from the pyramids because of its unique taste and aroma.

Michael and Natalia S., Toronto

Our problems began after we moved into a new townhouse. I started having back pains, insomnia, and my wife started having migraines and heart arrhythmia. She bought a super mattress, but it did not help. Visits to the doctors did not help either, decreasing pain only temporarily. We started thinking of selling the house. My friends suggested I turn to Pyramid Of Life for help. Inspection of our house with a special device revealed a presence of a powerful geopathic zone. Mini-pyramid installed in our house solved our problem, which seemed unsolvable. Thanks a lot!

Hans Brunner, Professor of Geophysics, member of the European Dowsers Association

Development of a device for detection of geopathic zones will undoubtedly lead to a revolution in dowsing.

Vasiliy T., Sacramento, CA

I am a truck driver. This lifestyle does not provide a lot of movement. Thus, excessive weight and 6 months ago I started having prostate problems. Used matrices and pyramid water for two weeks and all the unpleasant symptoms have disappeared and even my weight dropped by 4 lbs. Incredible, but it's a fact. Thank you very much.

The N. Family

10 years of a happy family life were shattered after our move into a new condo. We were suffering from nightmares, constant fatigue, depression, and my husband even had

hallucinations. In the beginning of this year our relationship was so devastated that we started considering a divorce. My husband started sleeping in our living room and suddenly started feeling better. This prompted us to call your office. We have no words to express our gratitude. With best wishes, the N. family.

Georgiy K., Kansas

Thank you, thank you, a thousand times! I spent lots of money on various filters, but NEVER have I experienced such effects as I have from the pyramid water. My health was declining and with my last hope I bought your matrices. Even after a week of drinking your INCREDIBLE water I started feeling better, fatigue and nervousness disappeared. After one month, my back, which was constantly nagging, stopped aching. In addition to my daily 3 glasses of pyramid water I bought another matrix and placed it on my liver. A month after that I saw a brown spot in that area, which quickly dissipated and my liver pains were gone. Your water is truly miraculous! Now we bought your pyramid and our whole family drinks the water. Health conditions and moods of my wife and children are improving in front of my eyes. Thank you! Please tell everyone to stop wasting time and start drinking your LIVE water.

Mayor of Aradippou (Cyprus)

Excerpt from a speech of Mayor of Aradippou (Cyprus) at the international symposium of geopathic zones problems in Larnaka (Cyprus) in 1997. Dear Sirs! On behalf of the citizens of our city and from myself personally I would like to express sincere gratitude to the developers and creators of a unique device for location of geopathic zones, with the help of which we were able to solve the most important problem which disturbed us for the past several years.

This problem – significant increase in the level of mortality among children with leukemia in one of the areas of our city. Using this device we checked dozens of residential houses, 4 schools and 2 kindergartens and discovered the reason for high mortality among children with leukemia – the presence of a powerful geopathic zone, which was permeating through the above-mentioned buildings. Scientists' recommendations for protection against geopathic zones using pyramids were also effective, which was proved by medical tests. Once again, big thank you.

Douglas Whitmore

I've been smoking cigars for 25 years. I acquired matrices in order to store cigars without using humidors. I can't stop admiring the resulting effect. And besides, it's a lot cheaper.

No Name

I'm 48 years old. I've been smoking for 30 years. I quit many times, but then would start again. A friend suggested I get matrices. I haven't quit smoking yet, but I smoke fewer cigarettes per day and I stopped coughing. What's also incredible is that my wife became more tolerant of the cigarette smoke. No name

Paul B.

I'm 72. About 5 years ago I built a house-pyramid where I live to this day. Every year I go for medical check ups. Doctors can't stop wondering the state of my health and say that I have the youngest red corpuscles in town. And I feel even myself that I'm not getting older, quite the opposite. Before I was able to pull myself up 8 times on a horizontal bar, but I can do it 45 times without much effort.

Richard, Florida

I read a lot about meditation. A couple of times I was able to do something spontaneously, but when I tried meditating consciously, I was momentarily falling asleep (due to constant stress and not getting enough sleep). Using pyramid it's very easy.

V. Curt

As for me, I think that after pyramid meditation my depression and soul pain were gone.

M. Robbins

After pyramid meditation I have got the ability to see right and wrong sides if the life better.

Prof. Egorova

We were conducting experiments on immunity of a live organism to various infections. Pyramid and matrix showed significant increase of immunity of a live organism to the most difficult infections (e.g. plague).

Lidiya P.

Good day, Pyramid Of Life! My name is Lidiya. Two years ago my family moved to the USA from Belarus. It was not easy to start a new life. To top it all off, our health declined. Here are the symptoms I had: constant fatigue, hypertension, constipation, frequent colds, constant nervousness, loss of hair, significant weight gain. Everyone in the family was fighting and we were even thinking of moving back to Belarus. Fortunately 6 months ago I bought your pyramid and matrices. It's incredible, but everything is returning to normal and I hope it will stay like that. With great appreciation of your good deeds.

Delegation of monks from Tibet, Japan and Korea

Dear Mr. Golod! Allow us to express our admiration and gratitude for your tremendous work noble cause in the name of all Earthlings. Your pyramid is the most harmoniously clean place, with ideal energy, that we have ever encountered.

A.K., 22 years, hockey player

After difficult trainings I could not relax for a long time, which started to affect my playing abilities and most of the time I was on the bench. But everything changed for the better after my brother gave me a mini-pyramid as a present. In the last season I have become one of the leading players in my team.

E.P.

Your water is a true elixir of life.

Larisa A., New York

I am writing to those people, who are still living in 19th century. I am writing to those people who like to "eat" 10-20 pills a day and who are thinking that the pills will solve their health problems. People, wake up! It is the 21st century and a lot of sick

people looking for other than medication. My mother is one of those stubborn old-fashioned people who don't believe in something new. But when the doctor told my mother that she needs the biopsy on her lungs, suddenly she agreed to wear the matrix. In two months her lungs have cleared up and two doctors confirmed that.

My husband fell down the stairs and fractured his rib. He was in pain but refused to wear matrix. Finally when he couldn't move and was screaming from pain, he decided to wear the matrix. Next morning he was able to get back to work. This is my opinion that in the future the matrix and the pyramid itself will be widely used just like vitamins for example are used nowadays.

<http://www.pyramidoflife.com/testimonials.htm>

Pyramid of Life company's founder, engineer and inventor Edward Gorouvein, dedicated many years of his life to research and development of pyramid structures, and utilization of pyramid energy in everyday life. His interests are: effects of natural and artificial electromagnetic radiation, ecology, harmony in architecture and life.

Author's Afterword

Four Point “Check List” Review:

Point 1:

Are you elated - uplifted and inspired about what you have learned so far about the continuous FREE flow healing energy emitted from pyramid structures and how much it can do for you and your family and every life form on Earth?

Are you inspired and motivated to share what you now know with family members and dear friends or co-workers etc...?

IF so—you got the point—and you are already an Honorary Member of this worldwide public disclosure MOVEMENT and may we all go forward - onward and upward !

Point 2:

Considering point 1 above, do you agree with me and other disclosure movement members that healing PYRAMID energy truly needs to be a HOT TOPIC worthy of daily reports by MAJOR MEDIA outlets all around the world ?

Since it appears that none of the existing “controlled” major media outlets worldwide or our likewise fully controlled national governments and their leaders have taken any initiative to step up to participate in the creation of structures to supply pyramid energy and neither have they disclosed this information to the general public, “we the people” must do it.

As we the 99% of Earth’s population lead . . . the 1% ELITE leaders must follow . . . or else surrender and lose their powerful position of “office”.

Point 3:

Let's do it.

I trust and believe so strongly that with your help and that of those you inform through INTERNET social networking, our COLLECTIVE “we the people”

MOVEMENT will soon be that invincible force for GOOD (for GOD) on Earth I have so clearly envisioned.

Thank you.

Point 4:

If you are like me you can probably hardly wait to start constructing or buying one or more pyramids for yourself.

I have already constructed more than half a dozen various sizes for indoor use and as Summer unfolds, my aim is to acquire as many pyramids as possible, large enough to be able to sit inside and meditate and also some to place in my garden to be on permanent display for the benefit of neighbors and passers-by.

May I repeat the concept that each pyramid erected and utilized anywhere globally adds energetically and positively to each and all of Earth's inhabitants by infusing powerful healing energy into the collective consciousness. We will all receive bodily revitalization and rejuvenation and will be able to absorb the energies of sensitive, unconditionally loving, peaceful and joyful health as we move into the Golden Age on Earth.

IF you feel that I have adequately addressed the four points mentioned above and you are heart-fully or soul-fully motivated to become an active daily pyramid energy, public disclosure member, may I thank you with all my heart, mind and human soul-embodied Being.

If destiny wills, we may meet and interact face to face in the Golden Age we EACH AND ALL CONSCIOUSLY OR UNCONSCIOUSLY envision and serve as we joyfully, soulfully, and healthfully "do what we love" and "love what we do."

May our dear Mother Earth, soon become resurrected to perhaps even surpass her former historically pristine and pollution free state and shine forth as a heavenly Garden of Eden in which we all witness the end of all disease and darkness within and around our sacredly purged humanly embodied Beings.

In due time I foresee each and all to become divinely gifted with eternal, perfectly healthy, strong, youthful human bodies.

Anyone, who makes the conscious choice , may become a fully enlightened Master of Light and Wisdom, just as our human brothers and sisters, Jesus, Mary, Buddha, Anna Lee Skarin, Mohammad and many others who are considered to be Ascended Masters. Saint Germain, The Tibetan, D.K. and countless unknown other Great Ones have demonstrated themselves, throughout the ages, to be divine “way-showers” to all Humanity on Earth.

So be it.

All is well on Earth We are now caring-ly, sharing-ly, loving-ly making it more-so, as each day passes!

Bless us all. You are.... We are....

I am, Russ Michael, WE are ONE in the ONENESS of All That Is.

Appendix A

DUE CREDIT: Final Note from Author

May I hereby announce, through my own passion, zeal and zest, that which I have expressed in this booklet has been scribed by my heart soul and mind to each and all of you, whom I love in the ONENESS of All That is.

May I also offer due credit to the first introductory DISCLOSURE of the immense healing energy of PYRAMID POWER through Patrick Flanagan's bestseller, *Pyramid Power* published in the early 1970s.

When I told him that I was writing this disclosure booklet, Dr. Patrick Flanagan, the Man of Tomorrow, informed me that a new edition of his book, *Pyramid Power* would soon be available again worldwide for our reading pleasure at Amazon.com. So may I ask you to take due note of that.

Due credit is also to be offered to David Wilcock, presently loved and well known worldwide as a profound and seriously dedicated Lightworker. David dedicated two full chapters to pyramid research, in his recently published, 535 page bestselling classic, *The Source Field Investigations*, published by DUTTON,.

David Wilcock is an equally passionate believer, together with myself and Dr. Patrick Flanagan, as to the necessity of applying pressure on our major media and governments worldwide to “beat the drum” on how FREE healing power of PYRAMID ENERGY can heal Earth and all Humanity. FREE ENERGY healing pyramids can lead to a totally rejuvenated fully revitalized, crystal clean, Earth.

Good (God) knowledge IS POWER, but only when good (God) knowledge is used. .

Finally, I wish to offer due , appreciative credit to the immensely researched, carefully proven and well-documented discoveries made by “leading edge” Russian scientists, and all other peers in USA, Canada, and may other nations worldwide. Credit and gratitude to Dr. Alexander Godol and his son Anatoli Golod, in partnership with Dr. John DeSalvo's Giza Pyramid Research Association. My tributes too, to the following scientists ; Dr. V. Krasnoholovets, Dr. V. Byckovx, Edward Gorouvein, researcher Maxim Yakovenko, and countless dedicated pyramid power researchers and developers worldwide, unknown to me by name at this date.

Bless your giving, sharing warm hearts!

“We Are One” Poem by Kathy Coles

A timely, so very appropriate poem from an active, gifted Lightworker and one of my daily subscribers, Kathy Coles, in Australia.

I am so delighted to share this lovely “disclosure” poem with you. Published on March 13, 2013.

Please enjoy and share this poem widely here, as recited by dear Kathy Coles herself from a rolling printed text—as she recites the poem—against an exquisitely beautiful bed of tulips background:

<http://www.youtube.com/watch?v=jSJUK4YZ6LI&feature=youtu.be>

We Are One

I look at the world and the state we're in
And I feel a sense of unease within
Where did we go wrong I sit and wonder
How did we this beautiful planet plunder
So much skillfully crafted by a loving God's hand
Yet destruction and warring created by Man
The problem I find, and you may agree
Is that I see you as different from me
So many illusions borne of hardened dark hearts
With the intention to keep us all far apart
From race, religion and education
To status and wealth and political persuasion
The have's and have not's, the colour of skin
All cleverly designed to segregate once again
For the game we call life, they have set all the rules
Where the house always wins and the rest of us lose
The plan has worked well for the top of the heap
The rich, the royal and the corporate elite

Who play with far different rules to the man on the street
 Few will believe the depth of the deeds
That feed their power and insatiable greed
 From poisoning our land, skies, food and water
To sending our children off to be slaughtered
 Who wins from the wars? Did you think to ask?
Just follow the money it's not such a task
 The same people control the finance and banks
They take all your taxes without even a thanks
 All of the drugs, legal or not
Are just a small part of their lucrative crop
 Media, governments and education
Now do you wonder what's in vaccination?
"Keep the people dumbed down and they won't even see
The dastardly deeds we've been doing with glee
 Feed them plenty of rubbish to watch on TV
It's easy when you own the media you see
 Xbox and playstation to train them to fight
Then let them loose on each other to see who is right
 Feed them coke and Maccas and KFC
Get them dependant on drugs and security
 Give them iPods and Facebook to fill their time
Big Brother and magazines to educate their minds
 Sex, gossip and sports to keep them amused
Gambling and soapies and don't forget booze
 It's a win win for sure, how can we lose
They'll be so busy working and accumulating stuff
 Keeping up with the Jones's, just can't get enough
We'll create some events to keep them in fear
 Then erode all their freedoms year after year
But all in the name of protection my dear
 Keep them drugged and sedated and with any luck
We can keep control and all make a buck
 With their blind obedience we'll make their lives suck
But God only help us if they ever wake up
 So who are these people who seem hell sent?

They are the mighty and powerful one percent
Have you had enough yet, are you ready to fight
Not dirty like them, in the dark of the night
But using God's tools of love and light
What if we just stopped playing their game
Their power would be gone, they'd be totally lame
Like monopoly, life can't be played by just one
We can turn our backs on their smoking gun
On this planet we're taught to look with our eyes
To judge and condemn and criticize
But if I look at you through your eyes to your soul
And use my heart instead to measure our roles
I see that in reality we have the same goals
I care not what colour your skin
I don't mind what religion you're in
Whether you're rich or known by your fame
I don't care what letters come after your name
Because, to me, you and I are both the same
I'm no better than you for the car I drive
And we all have an equal right to survive
We bleed, we cry
We laugh and we try
We may look a bit different I can't deny
But we are all the same on the inside
We all want a world where we live in peace
Food and shelter for all at the very least
Where our children are safe to play in the streets
Clean water and air and food on the table
A lifestyle that's free and a home that is stable
Where all contribute whatever they are able
To never have our sons go off to war
To settle someone else's illusory score
And to have someone who loves us walk through the door
It's time to look after our planet Earth
Instead of exploiting her for all she's worth
She's the one that supports us from birth to death

And lovingly provides our very breath
We are all a part of the human family
We can learn from each other and celebrate diversity
Let's get together and plan a future in unity
Let's break down the barriers that keep us apart
And go back to the dictates decreed by our hearts
There's a light inside each that shines like the sun
And keeps us ever and always connected as ONE
As children of God we all have that spark
That is there to guide us through life and out of the dark
If we all start to listen to that small voice within
We can claim back our sovereignty and change EVERYTHING
It's time to wake up now. It's not too late
We now have a chance to change our fate
We can create a bright future for the human race
And restore love and respect to this wonderful place
We have safety in numbers, we're the 99 percent
If we love all as ourselves, as was the intent
Then the good will prevail and the darkness be spent
When God said "You are the ones you've been waiting for"
I think that's what he meant.....For sure.
